What will happen if you go to one of the teachers?
If harassment continues despite your efforts, don’t give up! Teachers are there to help you do something about it:

What will happen to the bully/harasser?
Bullying and harassment is not acceptable behaviour and will not be tolerated. Those who bully and harass, or who stand by and let it happen are breaking the school rules.

Our goal is to help the perpetrator realize that a change of behaviour is required and everyone is to be kept safe.

The student grievance process will result in a meeting between the teacher and students involved.

This meeting will result in consequences for the bully, in line with our behaviour support policy, and may include suspension.

The Principal will be involved in all cases that require parents at the meeting.

What about victimisation?
Victimisation is when harassment continues after you have followed the harassment and bullying procedures.

Action by the Principal will be taken to stop victimisation.

What are the responsibilities of a Bystander?
At Scott Creek Primary School, we expect bystanders to assist us in making our school a safer environment.

A bystander is anyone who is a witness to bullying or harassment.

Sometimes a bully or harasser receives positive attention from bystanders.

A good bystander means that no bully or harasser receives positive attention for their inappropriate actions.

Bystander Expectations:
To immediately report to a parent, teacher or principal

- Instances of harassment and bullying
- Victimisation
- Gang-like behaviour

To not get involved in such behaviours and seek help for the victim.

If bystanders do nothing about bullying and harassment they witness, they may receive similar consequences to the perpetrator.

Remember this!

- It’s up to all of us to do something positive about harassment and bullying.
- If we all work together, we will have a safe and happy school.
What can you do when you are being harassed?

You have to decide what you want to do to stop it. Here is what you can do at Scott Creek Primary School.

Sometimes we are harassed by people in many different ways. Harassment can be deliberate, hurtful gestures, words or actions by individuals or groups or when someone treats you in a way that makes you feel hurt, embarrassed, uncomfortable, upset or unsafe.

Harassment is unfair and unacceptable.

It is your right to be free of harassment of any kind.

**IT IS YOUR RESPONSIBILITY TO ENSURE YOU NEVER HARASS SOMEONE ELSE AND TO REPORT HARASSMENT YOU WITNESS.**
